PROJECT STICKER SHOCK

This sticker shock is not about buying a car....

It's about buying alcohol and warning adults that it is illegal to purchase and provide it to underage persons. Youth participating in Project Sticker Shock visit participating stores and place stop sign stickers that display a warning message about the penalties for providing alcohol to anyone under 21 on beer cases, wine coolers and other alcohol products that might appeal to young drinkers. By participating in this project, youth throughout the community are taking a proactive stand against underage drinking and its related problems. For more information or to participate in Project Sticker Shock, contact the Goodhue County CHI at (651) 385-6105
