### Summer Activities

a. **Parade** - River City Days August 7<sup>th</sup> – We will be participating in the River City Days parade. Tim Sletten will be offering his truck and Kris' son Preston has offered to be Howie for the event. Youth Outreach kids will help out with passing out flyers and candy. Luke Kays was present and represented Student Council. We offered to see if some of the council would be available to walk with as well. He was going to check on that and get back to us. Line up will start at noon.

b. **County Fair – Our council will help with the booth on Wed. August 10<sup>th</sup> (10:00-6:00)**

Workers for this event are: Katherine Cross 10 to noon, Matt Traynor noon-1Tim Sletten, 1-3 Pam Horlitz, 3-5. They are set up in the 2<sup>nd</sup> building.

c. **Loud & Local** - Thursday August 4<sup>th</sup> from 6 to 10 pm.

Volunteers for this event are: Kjurstin, Kris, Dave Borgen, Susan McCammon. Luke Kays approached CHI about donating buns, condiments and paper products for this event (enough for 100 hot dogs). A motion was passed for the council to donate those items again this year. Susan McCammon volunteered to pick up the items and get reimbursed.

2. **Seven Strategies to Affect Community Change** — We all had a lengthy discussion about this idea and talked about how we can tap into current groups to review their current policies and how we can impact to make them better. We looked at trying to get into the elementary schools to raise more awareness at that age level. We need to reach out to the Latino group as that group seems to be left out. Susan had mentioned that there are no resources out there for people to find anonymously if they need help. We are looking at putting something on the website to help with this. Another comment was made to keep the city council informed of our work so they know that we are out there and what we are accomplishing/working on. Question was asked to Tim how Social Host ordinance applies to Prairie Island Indian Community due to it being a Sovereign Nation. Our first step with the Strategy is "Discovery" and we will continue to work on this.

3. **Other Business** – Stacy is working on a letter to put with the Night to Unite event being held next month. We talked about putting some promotional items in the packet and Stacy was going to check some items out and get back to us.

4. **Adjourn – meeting adjourned @ 2:45 pm**

**Next meeting: September 14, 1:30 PM at RWHS**
