Summer Activities

- a. **Parade:** River City Days August 7th with a noon lineup and 1pm start. Youth Outreach may have students that can help as they aren't in the parade this year. Tim Sletten offered his truck and Kris offered to ask her son if he would be Howie with a friend who would be his "handler".
- b. **County Fair:** August 9 to 14, Red Wing will assist the CHI staff with the Wednesday shifts from 10am to 6 pm. If you are available for a 2 hour shift please let Stacy know. 10 to noon Katherine Cross, 1-3 Tim Sletten, 3-5 Pam Horlitz
- c. **Loud & Local** Thursday August 4th from 6 to 10 pm. Volunteers are needed 😊
- d. **Other:** Night to Unite: (previously National Night Out) Tuesday August 2nd, Frisbees and information flyers will be distributed. Our information will get to Tim Bohmbach for this event.

2. Scholarship fund for next year

Discuss possibility- place this item on the January agenda so it can be reviewed in time for 2012 spring scholarship awards. Good discussion was held re criteria, Target or other eligible students, and determining that students are chemical free.

3. **Other Business** Distributed the 7 strategies. We are an event focused group and the discussion was to look at setting goals and strategies that could be sustainable. Should we be planning a Drug free Work Week (Chemical Health Awareness Week) event, or tie into the work the Church sector has done and follow their day with something in the work force? ***We would like our members to review the attached 7 strategies... sheet and bring ideas to the next meeting.***

4. **Sharing:** excellent conversations on the status of the synthetic marijuana ban, legalization vs. decriminalization of marijuana, changing the focus to dealers rather than users. The conversation was enlightening and good for us as we build our ability to express the goals and concerns our group represents.

Review the dates and needs listed above and respond as you can

Next meeting: July 13, 1:30 PM at RWHS. Please remember to review the *Seven Strategies to Affect Community Change* and bring your ideas!
