---

Stacy reported that the seller/server issue passed in Kenyon on April 11, and she would be presenting to the city of Goodhue on April 13. Goodhue County will also be voting on it in early May.

- 1) Toward Zero death Committee (Ashlyn Christianson) The PHS division of Health and Human Services is providing education re: traffic safety throughout Goodhue County. This includes issues such as driver inattention, speeding, and sober driving among others. The 1<sup>st</sup> initiative focused on driver safety on Super Bowl Sunday. The committee is hoping to place stickers on drink containers at the high school prior to prom. Ashlyn also reported that the MN department of Public safety has many free publications available at no cost.
- 2) PROM: CHI members distributed cards to local businesses relaying chemical free messages. Members will be volunteering to do Breathalyzers @ Prom, A \$100 donation was given to Student Council to assist in purchasing prizes. Student Council members will be providing the paper, boxes, and table setup for volunteers. Movie Night was scrapped due to low interest.
- 3) The Crashed car will be at RWHS the week prior to Prom. Lisa Hanson will be handing out discussion questions to teachers for use during their advisory period. Thanks to Jo! A letter to the editor will be sent to the newspapers in the county focusing on passing along the message of sobriety at proms.
- 4) MIDDLE SCHOOL DANCE: Volunteers: please be at TBMS by 6:45pm, April 15 to chaperone! Youth Outreach will be securing some free tickets to help increase the availability of the dance to all students.
- 5) SLEEP OUT FOR HOPE (Matt Traynor) Scheduled for the night of April 29.
- 6) OTHER: Synthetic drugs are still widely available to the public, including students.
- 7) RWHS STREET DANCE: Members agreed to sponsor the annual street dance on May 20, 2011, from 7:30-10:30....as usual, volunteers will be needed! Dave B. will secure the CAF in case of rain.

- 8) Please consider the possibility of establishing a scholarship for graduating seniors who have helped in our mission to have chemically free youth for next school year.

NEXT MEETING: May 11, 2011 1:30 p.m. at RWHS
