

Red Wing CHI Council Meeting Minutes

Healthy kids

Healthy families

Date: 3/9/2011

Time: 1:30 p.m.

Healthy communities

Attended by: Jo Seton, Kjurstin Langer, Dave Borgen, Stacy Larson, Tim Sletten, Pam Horlitz, Lisa Hanson

1. Prom activities (April 30th)

a. Post-Prom movie night: Update from committee (Tom Rikli)

Need to talk to Tom for details. Questions include: cutoff date for sign ups, two weeks prior? Can we do something at the school with tickets? Movie will be for 10-11 and 12th grades. Begin at 11:30 Wrap up will be 1:30 or 2:00. Movie will be something that is on at the time- Prom is showing! No video games and no outside food. Tim, Kjursten and Stacey are available at to help more volunteers would be appreciated

i. Publicity/Sign-up

1. Newspaper (Jo Seton)- Sarah from the paper will work with anyone on our committee who is willing to put information together.

b. Breathalyzer Tests at Prom

Need to have at least 3 to keep the kids moving in- bring door prize sheets and a drawing box. Set up early- 5:45 and be ready for the students arrival. Tim, Kjursten and Stacey are signed up- more help is needed.

c. Chemical-free messages for Prom vendors

Stay sober cards and letters were distributed- the post cards for the businesses doors will follow. This is a nice way to spread the message and acknowledge the work the businesses are doing. Stacy will also work on a letter to the editor.

d. Crash Car info (Goodhue County Sheriff)

The crash car will be delivered to the school and be there all week. It was suggested that the classes tour with their advisor groups. There will be a series of questions developed to stimulate positive discussion in the classroom after the tour. Developed by?) There may be a post a note response board for the crash. Lisa will talk to admin to find out where the car should be placed- keeping visibility and safety in mind. *Update:* Lisa sent a note reminding us that a number of students have experienced the trauma and loss caused by accidents and she has a reminder that will be shared in the classroom asking students to be respectful. Jo sent some question suggestions to consider.

- i. "Saved by the Belt" presentation March 21st, 2:15 @ Goodhue High School- anyone is welcome to attend this event- contact the school to let them know you are coming. There were two students and staff that attended a Zero Fatalities meeting and heard about thumb rings as a reminder for distracted driving.

2. Frisbees

There was a motion, second and vote to participate in the group Frisbee purchase. Our concern is that the printing be a “mature” message. We have 25 Frisbees and are willing to share them with Goodhue if the new order will not be here in time for their event.

3. Sharing

Matt Traynor will share more information on the Sleep Out 4 Hope event- April 29-30.

April 8 9:30 – 11 Data Release of 2010 Student Survey at Goodhue County Court Services- Jury Assembly room

Kjursten will check into a dance for middle school. (*update*, the dance is on for April 15th, collaboration between TBMS Student Council and RW CHI- mark your calendar!)

Thank you to those who helped with the successful after school ski event at TBMS

4. Meeting Adjourned 3:00 pm

Next meeting: April 13, 1:30 PM at RWHS
